

In 1939 Eddie Gall opened a small tavern on the western end of Downers Grove, serving ham sandwiches prepared from freshly baked bone-in hams. The family tradition started then and continued for 68 years at the Belmont Road Restaurant. Now, the tradition continues from our kitchens to your home. Stop in and enjoy our newly remodeled Downers Grove location. Great food and value packaged for you to take home, the family tradition continues with the same simple premise: fresh food, prepared with care, prompt and courteous service with a smile. Let us help to make your next event easy and memorable.
